2trg partners with Amazing Green Planet to Offer e-Waste Recycling on Earth Day

Two local companies, Amazing Green Planet and 2trg, are partnering to help the community and the environment by recycling electronic waste (e-waste) on Earth Day. The event is open to the public and is scheduled for Friday, April 22, 2011 from 8:00 a.m. – 2:00 p.m. at Amazing Green Planet in Westport Village at 1301 Herr Ln # 117, Louisville, KY 40222. CPUs, monitors, DVD players, printers, flat panels LCD TVs, plasma TVs, and other miscellaneous electronic items will be accepted for free. 2trg will accept CRT Style TVs for a fee of \$10 per TV. Console and rear projection TVs will be accepted for a fee of \$20 per TV. Air conditioners, microwaves, large appliances, and any electronics that contain chemicals or oils will not be accepted.

Amazing Green Planet is a locally owned green general store specializing in eco-friendly and earth conscious merchandise.

2trg is a Cincinnati, OH based company that provides electronic waste (e-waste) recycling, data destruction, cabling, and technology deployment services to small businesses, schools and governments, Fortune 500 companies, value-added resellers, electronics manufacturers, other recyclers, and local residents. 2trg is an e-Steward recycler as recognized by the Basel Action Network; it does not send hazardous e-waste to landfills, incinerators, or developing countries. 2trg is a privately owned company and employs 70 people at its Cincinnati, OH and Louisville, KY facilities.
